- Located in south Walker County about 4.8 miles from I-22 Exit 70 (Cordova – Parrish). It is about 35 minutes from Birmingham to the property (from the intersection of I-22 and I-65)
- The property has un-deeded access from Ridge Row Rd, a paved, county-maintained road. This access is well established and its use is uncontested. A survey shows that the east right-of-way of Ridge Row Rd lays about 200 feet west of the west line of the property.
- There is power and water on the public road
- This is an excellent property for timber production, hunting and outdoor recreation
- Significant portions of this property have been strip mined for coal and reclaimed. This may limit some intended uses. For example, health department conditions on the installation of a septic system are possible. There are risk associated with building a house on reclaimed land. You can learn more at [this link](#)
- Many farmers in the area find reclaimed land makes good pasture for cattle
- The property is bordered by Alabama Power Company land (good neighbors) on 3 sides (1 mile of shared boundary) and the shared lines are painted bright red
- Mineral rights are excluded from this sale
- There are about 78 acres of 20-year old un-thinned planted pines ready for their 1<sup>st</sup> thin
- Please contact listing agent, Tom Brickman, 205-936-2160, for more info
