The foregoing reservations and restrictive covenants are to run with title to the Property and shall be binding upon all parties and all persons owning any part of the Property and shall continue in force until February 26, 2055, and shall automatically be extended thereafter for successive periods of ten years, provided however, that the then-owners of two-thirds of the square feet of surface area contained in the Property may vote to change these reservations and restrictive covenants in whole or in part at any time.

If the owner or any person in possession of any part of the Property shall violate any of the reservations and restrictive covenants herein set forth, it shall be lawful for any other person owning any part of the Property to prosecute any proceedings at law or in equity against any person or persons violating any such reservations and restrictive covenants either to prevent the violation thereof, or to recover damages, or both. Invalidation of any of these reservations and restrictive covenants by judgment or court order shall in no wise affect any of the other restrictions and restrictive covenants all of which shall remain in full force and effect.

**Single Family Residential and Recreational Use Only:** All parcels shall be used for residential and recreational purposes only. Under no circumstances shall any commercial activity be permitted, which includes commercial growing of marijuana. One (1) greenhouse for personal use is allowed, so long as it is not larger than 200 square feet (an 8'x24' greenhouse is 192 square feet for example). All uses shall comply with Missouri State Building Codes and if applicable, Texas County Building and Zoning Department regulations and permitted uses.

A travel trailer, recreational vehicle (RV), portable cabin, or camper unit may be used as a single-family dwelling. No structure of temporary character; tent, tent shack, or lean-to shall be used on any Parcel as a residence. Such structures may be used for recreational purposes only but shall not be allowed to remain on any parcel for more than 21 days per calendar year. There shall be only one single-family dwelling per five (5) acres of land.

**Pets and Livestock:** Farm animals are permitted with exceptions. They are not allowed to create any nuisance to neighboring landowners and must not contaminate natural streams or springs. No swine shall be raised, bred, or kept in a commercial capacity. Deeded easements have been recorded for all roads. No commercial vehicles or heavy equipment are permitted to use the road, unless necessary for construction. If it becomes necessary to permit such usage, and if any road damage is incurred because of said usage, the owners of said vehicles and/or equipment will be required to repair the road back to its original condition. If owners of said vehicles and/or equipment are not the property owners, then the property owner will ultimately be financially responsible for any damage done and no other owners will be required to contribute financially. Delivery trucks are permitted to use the access roads.

**Structure/Fencing Setbacks:** You agree not to construct any buildings or locate any residence within seventy feet of the access road(s) or within fifty feet of a boundary, or as prescribed in any recorded easements or plats.
