Property Overview

'Telfair Tract 2' is approximately 68 acres located in Telfair County, Ga. Featuring a balance of pasture, timber, and road frontage, this property has the potential to be a great country homesite that would possess both farm and hunting attributes. The property has roughly 28 acres of pastureland that has a nice, beautiful rolling terrain. The remaining acreage is in naturally regenerated timberland. This combination of pasture and woodlands presents recreational opportunities to hunt deer, turkey, and hogs. The pasture could be converted into a bird field or could easily be fenced to graze cattle or horses. There is an impressive 0.53 miles of frontage on Garrison Road that does have access to power. The pasture provides a scenic, rural opportunity for a forever homesite or a cabin. Overall, this tract is set up perfectly for the individual looking for a place that allows them to live, hunt, and farm on the same acreage.

Professional Background

Chap Shuman is an Advisor at Saunders Real Estate in Reidsville, Ga.

As a native of Southeast Georgia, Chap grew up with a deep-rooted connection to the family land that he lived, worked, and recreated on. He is now a fourth generation steward of this farm, and this passion for sustaining a property's legacy led him to pursuing a career that allows him the great opportunity of serving those who also have lived, worked, and recreated on the land. He has a profound appreciation for the history of both the people and properties he represents. Chap's role as a land advisor allows him to combine his two greatest passions - people and land. He understands that to lead, you must first serve, and when awarded the opportunity to represent a landowner, he cut no corners in serving them in the greatest capacity. Whether it is a generational piece of land or an investment property, choosing to liquidate your asset is a weighty decision, and as your advisor, Chap will guarantee that your property's value and potential is maximized.

Chap's academic journey led him to the University of Georgia's Terry College of Business, where he earned a Bachelor of Business Administration in Real Estate and a Certificate in Personal Organization and Leadership. During his time at UGA, he fueled his love for people by assuming the role of President in the Sigma Phi Epsilon fraternity. It is here that Chap would live out his belief that in order to lead, you must first serve.

The foundation of Chap's real estate service is his Christian faith, and he takes great responsibility in representing landowners.
